## Congratulations Miss Auckland 2017

One of our own, **Natasha Unkovich**, was crowned recently as **Miss Auckland 2017**. Natasha has been a member of our Society who since as a young girl danced in Kolo groups until well into her teens. Her whole family were involved in the Ronald MacDonald House fundraising efforts expected of all contestants. Natasha also won the **People's Choice, Top Model and Best Interview** awards. Of special mention is that her Baba Mladenka Palinich made Natasha's special gown for the occasion. This win entitles her to compete in the Miss World New Zealand Pageant sometime next year. We here at the Society wish her well.
