PRESIDENT'S REPORT

Dear Members

2020 has been a year to remember for the disruption that the Covid virus has presented to us all. We have all been affected in some way with employment challenges, education disruption and family distancing. However New Zealand has been fortunate to have the virus contained with lockdowns, careful monitoring and strict safety procedures.

The closure of our club for several months has impacted on our 90th year Anniversary events. However we can reflect on what has been achieved rather than what was not achieved. In spite of the lockdowns we have still managed to hold successful events.

The cooking classes were very popular and attracted an enthusiastic group, learning from our experts.

The Management Committee were able to hold meetings with some joining by Webex.

The Dalmatian Genealogical and Historical sub committee have managed to hold several well attended meetings throughout the year with interesting speakers.

Congratulations to the winning Briskula team and all who competed in the tournament. Our Bingo afternoon in July was enjoyed by enthusiastic players.

Folklore and Language groups have all resumed and are now preparing for our End of Year Concert on the 6th December. It was wonderful to see their participation on Open Day. We are very proud of them and their talented tutors.

The Annual Ladies Luncheon was a great success. The support from our ladies was amazing and the menfolk did a great job on the day. Thanks to all those involved with the preparation and hard work involved in that popular event.

We have a great team working well together for the benefit of the club. Our team of overseers continue their meticulous work and particularly thank Zel Seputich for his dedication in keeping the contact tracing register.

Memory book contributions are now being compiled. We look forward to having this valuable record and thank Mara for her dedication in this big project.

Nelson Buildings have got on with improvements, whether seen or unseen during the year to maintain and enhance the building. Securing a generous settlement with City Rail Link has been a great achievement. A huge thankyou to all those who volunteer their time and expertise to make this club so special. Plans for club events in 2021 are well underway.

I wish you all a joyous Christmas, health, happiness and many blessings for the New Year.

Predsjednikov Izvjestaj

Dragi Clanovi

2020. je godina koje cemo se uvijek sjecati po Covi-
du-19 i poremećajima koje je virus prouzrokovao.
Svi smo afektirani na razlicite nacine , kako kroz
probleme na poslu, tako kroz prekid skolovanja i
razdvajanje porodica. Novi Zeland je sretan da je
zaustavio virus kroz izolacije, pazljivo pracenje kontakata i sig-
urnosne mjere i postupke.

Zatvaranje Kluba na nekoliko mjeseci je utjecalo na proslavu
90te obljetnice osnivanja naseg Kluba. Medjutim, bolje je
razmisljati o onom sto smo postigli, nego o onom sto nismo.
Usprkos izolaciji, uspjeli smo odrzati neke vrlo uspjesne
dogadjaje.

Satovi kuhanja su bili vrlo popularni i privukli grupe entuzijasta
koji su ucili od nasih strucnjaka.

Upravni Odbor Kluba je odrzavao sastanke kojima su se neki
clanovi pridruzili putem Webexa.

Kroz godinu ,Geneoloski i povjesni pododbor je uspjesno odrzao
par dobro posjecenih sastanaka sa
vrlo zanimljivim govornicima.

Cestitke pobjednickom timu briskule i svim sudionicima turnira.
Bingo odrzan u srpnju je privukao
odusevljene igrace.

Folklorne grupe i grupa hrvatskog jezika su nastavile sa radom i
pripremaju se za Dan Kluba i zavrzni koncert koji ce se odrzati
6og prosinca. Vrlo se ponosimo njima i njihovim nadarenim tu-
torima.

Godisnji rucak zena je bio vrlo uspjesan dogadjaj i tog su dana
"decki" odradili sjajno posao. Zahvaljujem svima koji su ucestvo-
vali u pripremi i odrzavanju tog uvijek vrlo popularnog dogadjaja.

Imamo sjajan tim ljudi koji zajednicki rade na unapredjenju
Kluba. Zahvaljujem timu nadglednika koji nastavlja sa vrlo
pedantnim radom , a posebno hvala Zelu Seputichu na
predanosti pri vodjenju spiska kontakata.

Radimo na sakupljanju priloga za Knjigu sjecanja i vrlo smo ra-
dosni sto cemo imati ovaj vrijedni zapis. Zahvaljujem Mari na
predanom radu na tom velikom projektu.

Nelson Building tijekom godine i dalje nastavlja sa radom na od-
rzavanju i unapredjenju zgrade Kluba. Veliko su dostignuce
postigli osiguravsi izdasno namirenje sa City Rail Linkom.

Veliko hvala svima koji su dobrovoljno dali svoje slobodno vri-
jeme i strucnost kako bi uciniли ovaj klub tako posebnim. Planovi
za klupske dogadjaje u 2021. godini su u tijeku.

Zelim vam svima radostan Bozic, zdravlje, sreću i blagoslov u
novoj godini.

El Shat: "The Star and the Sand"

A wonderful afternoon on Sunday 18 October with the Dalmatian Genealogical and Historical Society, when a large group of members and their friends came to see a film on the Yugoslavs at El Shatt during the Second World War. We were given a marvelous impromptu talk by Tonci Marinovich.

The people pictured here were, of course, children at El Shatt. Memories of that time in the Sinai Desert were still very vivid. Marijan Radojkovich spoke of the time recently when he and Gorki Yakich accompanied by their wives, visited El Shat.

Camilla Belich MP

Camilla Belich has become the first woman of Croatian descent to enter the NZ Parliament, winning a seat as a Labour list MP in the 2020 General Election. She follows Fred Gerbic, Clem Simich and Shane Jones into the Beehive as only the fourth "naši" of either gender, and also follows Dorothy Jelichich (nee MacDon-

ald), who married into our community and served a term as MP for Hamilton West in the '70s.

Camilla is the granddaughter of the late Sir Jim Belich, former Mayor of Wellington, and niece of historian James Belich. She and her husband, Andrew Kirton, former General Secretary of the Labour Party, have two daughters, and are expecting their third child.

Camilla is an experienced employment lawyer, and, while in high school, campaigned for a youth health centre, securing funding for and establishing Evolve, a dedicated youth centre. After studying law, she was a volunteer lawyer for Community Law, worked in the UK, campaigned for a fairer student loan scheme, and worked extensively on pay equity policy and legal claims for equal work.

She will be a wonderful voice for equality in Parliament.

Briškula Tournament

Everyone found it very interesting and enjoyable this year. The people who played and the supporters coming in and out were very entertaining. There was emotion and sometimes tension

between the teams. But everyone left happy having had a great tournament. There were 8 teams of 3 players each, so there were 7 rounds in total played over two Sundays in September.

First: Miro Lusich, Lenko Luksich and Ursa Luksich

Second: Bero Pavlovich, Mate Pavlovich and Jure Angelinovich

Third: Vidak Botica, Tony Matić and Frank Matich

Fair Food, headed by Club and Committee Member, Veronica Shale, wins Supreme Award at the New Zealand Food Awards 2020.

Fair Food, headed by Club & Committee Member Veronica Shale, wins Supreme Award at the New Zealand Food Awards 2020.

Fair Food is a food rescue charity 'feeding people, not landfill' to tackle food waste, food insecurity and social isolation. Fair Food rescues surplus fit-to-eat food that would otherwise go to waste, from food producers, growers, wholesalers and retailers to feed those in need. By doing so, Fair Food addresses social and environmental issues that were among our most urgent and concerning even before COVID-19 struck.

Fair Food delivers rescued surplus food for free to a network of over 50 trusted West Auckland charities, food banks, social and community agencies – including domestic violence teams, women's refuges, social housing agencies, homeless and teen-parenting agencies, immigration services and mental health support services. Together, they help feed over 20,000 people/4,000 families a week with good food once destined for landfill.

Fair Food provides perishable, fresh food like vegetables, fruit, protein and dairy to our most vulnerable – these are nutrient-dense foods that New Zealanders need to overcome challenging circumstances and become part of our recovery story. Along with fresh and perishable food, Fair Food now also rescue and redistribute surplus bulk and ambient food.

At the October NZ Food Awards Gala dinner celebrating "food heroes" who fed communities during the pandemic lockdown, Fair Food won both the Greater Good Award and the overall Massey University Supreme Award for 2020.

Transforming tonnes of surplus food and diverting it from being wasted – including 26,000 eggs – into fresh food parcels for thousands of people in need during lockdown, has seen West Auckland-based Fair Food named the country's 'food heroes'.

Winners of the Greater Good NZ Food Heroes Award, Fair Food was chosen as the Supreme Winner for "the way it demonstrated excellent team work and leadership in order to significantly upscale a food rescue and distribution service to provide food for over 20,000 people in need a week." In 2019 they rescued 121 tons of food (equal to 348,000 meals) – then due to Covid-19, they radically scaled up their response rescuing on average 143 tonnes (over 400,000 meals) per month in 2020.

Fair Food prior to 2020 was a well-established food rescue operation in West Auckland that was solely mobile. To meet increased demand they set up storage and distribution bases in Oratia, Avondale, Henderson and Avondale with the generous help of Nola's Orchards, Toby's Seafood and EventBase. The organisation was nominated for upscaling efforts during the pandemic and building on a legacy of rescuing surplus fit-to-eat food for people in need, addressing social and environmental issues.

Veronica Shale, Executive Director at Fair Food acknowledged her colleagues, donors, and supporters for "this critical unseen work in our local community and in pockets across New Zealand. Local food heroes each and every one of them. Take a bow!"

Professor Ray George, Pro Vice-Chancellor College of Sciences and New Zealand Food Awards governance board chair says Fair Food Charitable Trust; "embodies the Kiwi spirit that the New Zealand Food Awards and the NZ Food Heroes campaign stand for.

"They combined sustainability, business innovation, excellent team work and leadership – all while caring for the vulnerable in a time of need. Taking a purely mobile model that delivered 121 tonnes of food in 2019 to a distribution model with four sites to deliver 143 tonnes of food per month during lockdown is nothing short of exceptional."

To find out more about Fair Food, follow them on [instagram.com/fairfoodnz](https://www.instagram.com/fairfoodnz) and if you're a business with surplus good food to donate or wish to help somehow, please contact info@fairfood.org.nz. Hvala vam mnogo.
