COVID 19 EDITION

September / Rujna 2021

Dear Members

Hope you're keeping safe and coping well with this extended lockdown.

We must persevere and hope that we can soon open the club again, connect with each other and enjoy club activities. We look forward to be able to hold events with more certainty when we achieve safe levels.

In the meantime, here is information on the planned events:

90th Year Anniversary Ball - Postponed until March 2022 - Hold your tickets

19th Sept - Open Day – Cancelled for this year

26th September - Members Meeting postponed until level 1

26th September – Nelson Buildings Ltd Annual meeting with Members – Postponed until Level 1 (see further information in this Novosti)

14th November – Ladies Lunch (only if we are in Level 1)

Dalmatian Archive and Museum - all activities suspended until allowable.

Friday social nights and dinners – as soon as practicable

All folklore and Language classes suspended until Level 1

5th December – End of Year concert – to be reviewed nearer the time.

**Please refer to the
'Club Activities permitted at each Covid level'
in this Novosti.**

The good news is that the refurbishment of the Ballroom and immediate areas can be completed under level 3. The much needed transformation will be welcomed by members as well as increasing hireage opportunities.

Disappointing not to have our 90th Year Anniversary Ball the first event in the refurbished Ballroom.

Please support your club when you are able and keep in touch with each other, especially those who may be finding this lockdown challenging and stressful.

The essential work of the club and the premises continues thanks to Committee Members and Nelson Buildings.

With high vaccination rates and all other safety requirements in place hopefully life can return to normal before too long.

Keep safe and care for each other

Kind regards

Dorothy Shale
